

REMARKS

Claims 1-25 were originally filed in the present application. Claims 19 were subsequently canceled without prejudice or disclaimer, and new claims 26-34 were subsequently added. Thereafter, claims 25, 30 and 31 were canceled without prejudice or disclaimer, and new claims 35-37 were added. Claims 24-29 are currently canceled without prejudice or disclaimer, and no new claims are added. Accordingly, claims 10-23 and 32-37 are currently pending in the present application.

Applicants note with appreciation the Examiner's indication of the allowability of claims 1023 and 32-37.

The Examiner rejected claims 24 and 26-29 under 35 U.S.C. §103(a) as being unpatentable over Gardner in view of Wong. However, these claims are currently canceled without prejudice or disclaimer, thus rendering their rejection moot.

It is believed that all matters set forth in the Final Office Action have been addressed, and that all currently pending claims, namely claims 1023 and 32-37, are in condition for allowance.

Respectfully submitted,

Dave R. Hofman
